

## Academic Standing Committee Scheduled Meetings 2017-2018

Meetings are held in the Registrar's Conference Room, 102 Kerr Administration Building, unless otherwise noted. Because meetings are subject to change, contact the Registrar's Office, 541-737-4331, to verify meeting dates.

Suspended students who are considering filing a Request for Exception to Academic Regulation 22 should:

- Meet with the head advisor of their college to discuss their options. **The preparation process generally requires several days; students should allow sufficient time before the ASC meeting to gather and prepare all materials.**
- Submit their Petition for Exception to the Reinstatement Regulations and complete packet of materials to the Registrar's Office by the **deadline specified for each meeting.**

Students may request an appointment with ASC only when they have submitted a complete packet of documents (in addition to the Petition, this includes the student's letter, the advisor's letter, three terms of projected schedule, the learning contract, and any supplementary documentation).

The Academic Standing Committee will meet with all students who initiate their appeal by submitting their materials by the appropriate **deadline to initiate an appeal** indicated below.
