

Request for Academic Deferral of Meningitis B Vaccine

Per Oregon State University policy, all Corvallis campus students age 25 and under must be vaccinated against Meningococcal B disease. OSU may provide an academic deferral from this immunization requirement for students who will not be on-site at the Corvallis campus of the university during Winter Term 2018 (January 8 to March 23, 2018).

For additional information on the Meningococcal B disease and vaccination, please visit the website: getthevax.oregonstate.edu.
