To Whom It May Concern:

Oregon State University anticipates that enrollment verifications for the Academic Years 2016–2017 and 2017–2018 will be available, via the National Student Clearinghouse, per the dates provided below. OSU has contracted with the National Student Clearinghouse to store our enrollment data. Lenders may access this data directly from the NSC and students may obtain enrollment verifications at no charge via the link provided through their MyOSU portal. NSC certifications are official and need no further institutional signatures or seals.

Organizations may request enrollment data directly from the National Student Clearinghouse at [www.degreeverify.org](http://www.degreeverify.org)
