About Oregon State University: As one of only two universities in the nation designated as a land, sea, space and sun grant, Oregon State serves Oregon and the world by working on today’s most pressing issues. Our more than 31,000 students come from across the globe, and our programs operate in every Oregon county. Oregon State receives more research funding than all of the state’s comprehensive public universities combined. At our campuses in Corvallis and Bend, marine research center in Newport and award-winning Ecampus, we excel at shaping today’s students into tomorrow’s leaders.
