About Oregon State University: As one of only three land, sea, space and sun grant universities in the nation, Oregon State serves Oregon and the world by working on today's most pressing issues. Our more than 35,000 students come from across the globe, and our programs operate in every Oregon county. Oregon State receives more research funding than all of the state's comprehensive public universities combined. At our campuses in Corvallis and Bend, marine research center in Newport, OSU Portland Center and award-winning Ecampus, we excel at shaping today's students into tomorrow's leaders.
