

Education Abroad Additional Resources

Education Abroad Programs at OSU

The Office of Global Opportunities (OSU GO) offers OSU students a broad portfolio of study abroad programs, international internships, and faculty-led programs abroad.

OSU GO may also be able to assist faculty in identifying non-credit opportunities through the programs it manages. OSU GO can be contacted at osugo@oregonstate.edu

International Activity within OSU Colleges

In addition to the central support provided by the Office of Global Opportunities (OSU GO), the following colleges are some at OSU which administer international activities and may serve as a resource to faculty within those colleges.
