Bexell Hall -

Will be re-opening in phases. We have scheduled 4 of the GP classrooms for Fall 2016, with the intent to be fully online with all 13 GP classrooms by Winter 2017.

Building Preference -

When we schedule room assignments, the program looks at building preferences that were given to us by your department. You may want to look at what is in there for your department and send us any changes, which will be effective Spring Term 2017.
